The American Dental Association celebrates CDT Milestones!

“I am humbled by the number of CDTs with loyal dedication to their careers. Several CDTs have been a part of my team and their lab art allowed so many of our patients the smile they dreamed of. Certified Dental Technicians (CDTs) play a pivotal role in patient care and the names of CDTs celebrating career milestones have been added to the dental team hub at www.ada.org/resources/careers/dental-team-careers.”

— Dr. Hana Alberti, Senior Director, Center for Dental Practice Policy, ADA Practice Institute
